At Easington Academy we have high expectations of our students and staff. We believe students have the right to expect a first class education, delivered by teachers who are committed to making learning challenging and rewarding.

Ours is a caring community, one based on mutual respect, a school where students feel safe and supported throughout their time with us. The emphasis on good behaviour means that lessons are taught in an ordered and encouraging learning environment. Students are treated as individuals and we recognise and celebrate their different abilities.

When our students leave us, we want them to have enjoyed their five years at Easington Academy. This means leaving with the best possible results and taking with them a store of happy memories.
