

Year 11 Timetable 2017

This booklet details the amended timetable for all Year 11 students.

- The timetable is effective from Monday 15th May 2017, and from this date onward all students should continue to attend their normal lessons unless a revised session is marked in **bold**.
- We would ask that all parents/carers encourage their children to attend all relevant revision sessions in preparation for their upcoming GCSE examinations.
- When a revision session is highlighted in **bold** students must attend that session as opposed to their normal lesson. All actual GCSE examinations are marked in **red**.
- A copy of this amended timetable is available on the school website at <http://www.easingtoncsc.durham.sch.uk/>.
- We would like to take this opportunity to wish all students the very best of luck for their forthcoming examinations.
